Dear Lila Karki:

Thank you for coordinating the blood drive held on Saturday, April 2, 2011. We were very pleased with the drive, and the willingness of the donors to share this lifesaving gift.

The efforts of PadmaDal Memorial Foundation have always been appreciated and your support of the community blood program will go a long way toward replenishing blood supplies and ultimately saving lives.

You may be interested to know that 34 donors signed in and 33 pints were collected at your drive. One pint of blood has the potential to save three lives. It is a silent gift of hope and life.

Again, thank you for your contribution and ongoing support of this important community program. I look forward to working with you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Chantra Swinson".
